

# Watchdog Consulting Services, LLC

A National Solid Waste and Recycling Consulting Company

## Savings Program Overview

Watchdog Consulting Services, LLC is a National Solid Waste and Recycling Consulting Company dedicated to saving businesses time and money. We use our industry expertise and buying power to optimize disposal and recycling services saving clients thousands off their monthly operating expenses.

### *Your Strategic Business Partner*

Watchdog acts as your agent. Our unique business model allows us to truly partner with our clients because our program is in line with your company's best interests: implementing creative solutions to save you money. We put our vast industry experience to work for you. We assess your trash and recycling services and identify solutions that will save your company time and money. We will present our savings recommendations that work best for your company's needs while adding money back to your bottom line.

### *The Benefit of Having an Agent*

Put an expert on your team. With Watchdog's industry professionals negotiating on your behalf, you can have the confidence of knowing that you are getting the best prices and services available. With our understanding of the inner workings of the industry and our group purchasing power, we can negotiate greater savings than you can on your own.

### *Measurable Savings*

The Watchdog program provides transparency and protection. Your current costs are used as a benchmark to gauge savings while on the Watchdog program. It is our job to significantly reduce your rates and generate proven savings while ensuring that those rates are enforced throughout your contract term. As your agent we look for additional ways to save your company money throughout our relationship. This includes negotiating pricing on special projects, recommendations on the latest advancements in the industry and green solutions that are eco and cost conscious. With Watchdog on your team you could save up to 65% off your current disposal rates.

It's easy to get started on the Watchdog program, contact us for a no risk no cost consultation at 800-839-1595.
